

## Kia Ora Tātou

We have had a fabulous start to the term with classes buzzing with learning. It's wonderful to have our tamariki back at school.

As part of kaitiakitanga, this term we have a trip planned to the Wither Hills Witch's Hat and Rarangi Beach. The purpose of this day out is to share with our tamariki the view of Papatuanuki from different advantage points so that we understand what we need to protect. The date for this is Tuesday, May 24. We will require whānau support, so please let the office or teachers know if you are available.

On Friday May 20, we invite tamariki to join the country in standing together to identify and stop bullying. We will celebrate this by encouraging tamariki to wear a pink t-shirt, pink hair or other pink items. Please do not purchase something especially for this; even just a pink hair tie will suffice. During the

week, staff will be teaching tamariki about what bullying is — repetitive and ongoing harrassment over a period of time, not a one-off incident.

### Breakfast Club

Breakfast Club is up and running again, from 8:15am until 8:50am on Mondays and Tuesdays. It's free and everyone is welcome — just show up and enjoy. Breakfast Club is sponsored by the Marborough Community Development Trust and includes a hearty breakfast of cereal and toast, and some fun and games. It's a great way for tamariki to fuel themselves for the day.

## Important Dates & Events

### Netball/Basketball

Netball has started. Basketball will start Term 3. Please see the newsletter previously sent home.

### Whānau Interviews

Teachers will meet with tamariki and whānau on June 13, 14 and 15.

### Matariki Celebration

Save the date for this celebration to be held June 23 at Blenheim School.

### Wither Hills/Rarangi Field Trip

Whole-school trip to the Wither Hills and Rarangi Beach on May 23.

## Kale Chips Recipe

Hello whānau from Tracy in our edible garden. Lots of your children love kale chips! Kale is a superfood — great for our growing tamariki. Kale chips are really easy to make:

1. Rip kale leaves into small pieces (not too small as it shrinks when it cooks) and place on an oven tray.
2. Drizzle with oil.
3. Sprinkle over some salt (optional).
4. Cook in a preheated oven (150 degrees) for 10-15 minutes.
5. Enjoy!

## Running Late?

Just a reminder, if your child arrives at school late, (s)he must stop at the office before going to class to collect a tardy slip; otherwise, (s)he could be accidentally marked absent. This helps us to keep accurate attendance records and is also important for roll call in the event of a fire alarm.
