

Kia Ora Tātou Katoa

Great to see our tamariki back into learning and happy to be at school. I have spent a bit of time in classrooms this week and loved seeing the learning taking place. It has been a little tricky for some of our tamariki getting back into routines. Good routines begin at home and limiting children's device time in the evening can help them to sleep better, so they're ready for learning the next day. I still remember, when my children were younger, walking out of my home with our modem to ensure a few technology-free hours for everyone! This made me realise that it is OK, as a parent, to say no when my tamariki asked for more device time.

On another note, we are giving away some school desks. Feel free to take on from the verandah outside the staffroom.

Part-Time Employment Opportunity

We are still looking for a responsible person to drive our Blenheim School vanpool. This is a well-paid position and is a total of about 10 hours a week. Hours are approximately 8am - 9am, and 3pm - 4pm daily. The driver will be welcome to take their child/grandchild with them in the vanpool. Please see Mary in the office if you are interested.

Free Desks

Feel free to take a desk from the verandah outside the staff room. They're going free to a good home.

Taiopenga

Marlborough's Taiopenga Māori cultural performance, normally held in Term 4, has been canceled this year due to the uncertainty around Covid levels. However, the school may have the opportunity to perform at level 1 in the Forum in Term 4. We will keep you posted.
